Course Fees

All course fees for hard copy of manuals include printing, post and packing costs.

If you order the course material in pdf format, it is much easier to read and absorb if you can print it off. It can sometimes be difficult to do the exercises if you are only looking at the course material online, but everyone works differently. Whether you have ordered hard copy or pdf, it can help to have a good quality scanner, and these often come with reasonably priced printers. It is easier to send scanned material by email in pdf format, if you are not sending course work by post. If you send course work by post, you do not need a scanner.

How to Pay

I wish to enrol on **Taster/Foundation/Diploma Module(s)**..... (please circle relevant course and list Module numbers).

Although it is cheaper to buy the whole of the Foundation Course at once, and more than one module of the Diploma Course at once, we would advise you to consider whether this is a suitable option for you before making this longer commitment.

Hard copy manuals or Pdf format? (Delete as appropriate).

If you are paying in **instalments** for one of these Modules - 1, 2, 4, 5, 6 or 8 - please circle relevant module. Modules 3 and 7 are already divided into two distinct parts, so paying in instalments does not apply to them. It will help us considerably if you could send us a post-dated cheque within three months of your enrolment date to cover the second instalment.

Payment Options: You can pay by cheque, Postal Order, International Money Order or by PayPal; or if you have a bank account in the UK, you can pay the fees into astrologycollege.com's bank account.

If you are paying by cheque or postal order, please make it out to "astrologycollege.com Ltd" and send it to the address below with this form filled in.

Paying by PayPal:

You can use the PayPal sections for the Taster, Foundation and Diploma Course modules which are on the **PayPal** sub-page (under the **Enrol** page). However, it is not possible to pay for instalments this way. If you would like to pay in instalments, using PayPal, the college will send you a PayPal invoice which will make it easier for you to do so. You do not need to sign up to PayPal. Whichever method you are using to pay by PayPal, please fill in and return this form to:

admin@astrologycollege.com

or you can return it by post to the address below.

If you want to pay into astrologycollege.com's bank account, the details are:
